Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Sunday 10 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Largely dry and occasionally bright.

Today:
Most dry with occasional bright and sunny spells, which soon disperse early fog patches in the south and east. Any light showers will be largely confined to the northern coastal fringes, where west to southwest winds fresh for the afternoon. Maximum temperature 15 deg C (59 deg F).

Tonight:
Generally dry with clear spells, however the odd light shower may appear across the far north. West to northwest breezes easing light inland. Minimum temperature 6 deg C (43 deg F).

Monday:
A mix of bright and sunny spells with scattered light showers. West to northwest winds occasionally freshening across the coasts. Maximum temperature 15 deg C (59 deg F).

Outlook for Tuesday to Thursday:
Rather cloudy but mainly dry with only a few well scattered light drizzly showers cropping up. Winds relatively light from the west to northwest.
